Program Description

Mission:

Cape Fear Valley presents this symposium in an effort to improve the treatment and outcomes of people with diabetes and obesity, promote early diagnosis, and prevention of the onset of diabetes and its comorbidities. The goal of this CME event is to reduce the death and disabilities associated with diabetes, obesity and its complications.

Event Description:

Cape Fear Valley presents a Multidisciplinary CME weekend. Seventeen powerful educational hours. Excite your senses and get ready to soak up education along with the air, sea, sun and the best golf around.

Goals and Objectives

Goals and objectives

- Reduce the morbidity and mortality of diabetes, obesity and its complications
- Increase public awareness of seriousness of diabetes, its risk factors and potential strategies for preventing diabetes and its complications
- Improve understanding of diabetes, obesity and its control and to promote self-management behaviors among people with diabetes as well as obesity
- Improve health care providers' understanding of diabetes, obesity and its control and to promote an integrated approach to care
- Promote health care policies that improve quality of care

Resort and CME Registration

The Hilton Myrtle Beach has reserved a block of rooms for our CME Symposium at a rate of \$179.00 per night. These rooms are available on a first-come, first-serve basis, so register early. You can reserve your room by calling 1-800-876-0010 and use SRP code: CFV. You can book your room on the web at www.hilton.com/en/hi/groups/personalized/MYRBHHH_CFV/index.jhtml or go to www.capefearvalley.com/cme and click on the link.
