

**NOTICE OF THE FILING OF AN APPLICATION FOR ALIEN EMPLOYMENT CERTIFICATION**

Applications to certify the following positions under the U.S. Department of Labor's Schedule A, Group I are being filed with the U.S. Citizenship & Immigration Services.

**Position Title:** Registered Nurse (multiple openings)

**Position Duties:** Displays an attitude of courtesy and respect for all residents, families, and staff. Functions as a team member with other staff in the performance of duties. Assists residents with their activities of daily living, assists with mobility and transportation care. Received oral report from nurses on all assigned residents utilizing the unit assignment. Reports changes in resident's condition to RN/LPN in a timely manner. Maintains accurate and complete records of food/fluid intake/output, baths, weights, and bladder elimination, ambulation, ROM and cleaning duties as assigned. Coordinates the nursing care of residents on the unit ensuring all residents are assigned a nurse aide capable of providing care to the resident. Provides safe and accurate medication related interventions to residents. Administers and documents medications and treatments according to each resident's medication schedule using current standards of medication pass technique. Knows the rationale for the effect of medications and treatments and correctly administers the same. Provides treatments per the physician order including wound care, urinary catheterization, oxygen care, tracheostomy care, etc. Orders and receives medications from the pharmacy. Conducts and accurate accounting of all narcotics, signing for count and exchange of keys to medication carts and medication room. Promptly responds to resident requests for pain intervention and documents such in the resident record. Accurately transcribes and coordinates the implementation of physician orders. Performs nursing assessments regarding the health status of residents. Notifies the physician of changes in status and promptly implements and documents new orders. Conducts ongoing and consistent assessments of residents to avoid unplanned hospital discharges by actively utilizing the Interact Program. Develops a plan of care based on assessments, implementing nursing care. Selects and institutes appropriate nursing interventions that might be required to stabilize a resident's condition and/or prevent complications. Contributes to the resident's assessment (MDS/RAPS) and the development of a plan of care. Consults with physician or licensed independent practitioner regarding general resident care needs. Accurately reports and documents the resident's symptoms, responses, and status. Designs, promotes, and organizes resident education and counseling based on health needs. Informs the resident and/or legal representative of incidents or changes.
