

March 10, 2025

Dear Friend,

Bladen County Hospital Foundation will be celebrating our 31st Anniversary this year by honoring the continuing support for all aspects of local healthcare. We are thankful to our dedicated community of supporters, like you, who make this possible year after year. We are excited to share Bladen County Hospital Foundation will be hosting a *"Greatest Needs" Derby and Casino Night May 3, 2025, at Cape Fear Vineyard and Winery.*

This year's Derby and Casino Night will provide the opportunity for our guests to see the many different areas of support made possible thanks to the generosity of many individuals and organizations in our community. Our goal is to raise \$30,000 to fund patient centric programs funded by the Foundation. This includes support of cancer patients, children and their families, heart patients, diabetes patients, metal healthcare and much more.

The evening will be an opportunity for our sponsors and guests to celebrate projects which have been made possible throughout the years, hear remarks from grateful patients who have received exceptional care at Bladen County Hospital and continue the impact our work has on so many in our community.

Please join us for an elegant evening of Southern tradition and charitable giving at the *Bladen County Hospital Foundation Derby and Casino Night* on **Saturday, May 3, 2025**, hosted by Cape Fear Vineyard and Winery. Dress to impress and enjoy "The Most Exciting Two Minutes in Sports" while supporting vital healthcare services in our community.

Sincerely,

Jeane' Pope Foundation Coordinator
