

Safe Storage, Safe Communities

Responsible firearm ownership begins with secure storage and informed handling.

77%

of accidental shootings happen in homes where guns are not secured.

Use a gun safe or lockbox to store firearms

Store ammunition separately from guns

Teach Your Family About Firearm Safety

1 in 3
homes
with kids
has an
unlocked
gun

Discuss firearm safety openly and often to ensure it becomes a routine topic

Demonstrate proper firearm handling and storage practices for your family

Teach children to never touch a gun and always tell an adult if they find one
