

2027 Gala Sponsorships

Dear Friend,

Thank you for your incredible support of Cape Fear Valley Health Foundation's Gala! Our dedicated community of supporters like you makes this event possible year after year. We're thrilled to announce that the Cape Fear Valley Health Foundation will be hosting the sensational 17th Biennial Cape Fear Valley Health Foundation Gala on January 30th, 2027, at the Center for Medical Education on our Cape Fear Valley Health campus.

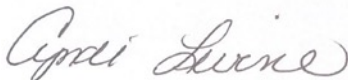

This 2027 Gala promises to be a truly heartfelt event, highlighting how your generosity directly touches the lives of those facing cancer, and will continue to do so as Cape Fear Valley Health continues to expand cancer care to meet the needs of the region we serve. Your support will not only enable Cape Fear Valley Health Foundation to continue to provide vital support such as transportation to appointments, financial assistance while undergoing treatment, nutritional supplements, wig vouchers and emotional support, but also allow us to expand our medical services for cancer patients in the best healing environment possible.

Your support of the 2027 Gala will help us reach our goal of raising \$250,000 to further enrich the journey of patients navigating cancer treatment and bringing hope during difficult times.

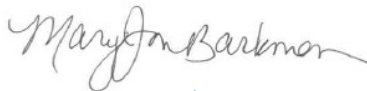

The evening will be an opportunity for our sponsors and guests to hear remarks from grateful patients who have received exceptional cancer care at Cape Fear Valley Health and continue the impact our work has on so many in our community.

Please join us for the *Cape Fear Valley Health Foundation Gala* on Saturday, January 30, 2027, to celebrate with music, food, and fun. With your support, we can continue to improve the future of healthcare in our region for generations to come.

Sincerely,

Cyndi Levine
2027 Gala Co-Chair

Mary Jon Barkman
2027 Gala Co-Chair
